Interior Alaska's regional business accelerator program

We share a vision of an economy thriving with new and successful businesses in the heart of Alaska. The Interior Business Accelerator gives aspiring entrepreneurs and existing small businesses the tools and networks to set their companies on the path to success, while building momentum and bringing attention to the opportunities that exist for small businesses in Interior Alaska.

The accelerator program will run for 8 weeks and consist of live presentations with Q&A sessions once per week in addition to weekly readings, videos, or other homework. The curriculum will be flexible to meet participant needs, but focus on building skills that lead to success for small businesses in our unique region of Alaska.

Learn more about the program and the curriculum on the [application page](#), by contacting the organizing group [here](#), or by registering for the AIBA Informational Webinar.
